Regional humanitarian technical workshop second meeting of the Advisory Group
Friday 4th February 2011

www.sheltercentre.org/South-East+Asia+Hub

This document is a record of the second meeting of the Advisory Group of the regional humanitarian technical workshops pilot project.

The meeting was held in three linked sessions taking place at the Shelter Centre offices in Geneva and the Habitat for Humanity International headquarters in Bangkok. Included are the action points arising from these consultations, and an overall project schedule.

Session 1 The first session of the meeting was hosted in Bangkok by Habitat for Humanity.

Session 2 The second session convened in Geneva and linked via video-conference to Bangkok.

Session 3 The third session was a plenary discussion between participants in both Bangkok and Geneva, linked via video-conference.

The sessions were minuted separately in Bangkok and Geneva, and have been synthesised for this record. In some cases, where a contribution is recorded as 'question', we do not know the identity of the speaker, and would be grateful if you are able to attribute this statement for us.

On Tuesday 1st February, Shelter Centre also undertook a preliminary regional consultation in Delhi, hosted by Sphere India. The meeting has been minuted separately, with the record attached to this document as Annex A.

The Advisory Group remains open to new members. To join as a full member or as an observer, please visit http://sheltercentre.org/advisory-group-registration-form

The workshops team would like to thank our hosts, Habitat for Humanity, for their ongoing support of this pilot project, and all participants for their attendance and constructive feedback.

We would also like to thank our donors, ECHO and DFID.

Contents

I. Attendees
II. Apologies
III. Action points
IV. Minutes

Session 1 Minutes of the meeting between regional partners, hosted in Bangkok by Habitat for Humanity.
Time 08h00 CET, 14H00 ICT

nda Item 1 Participant welcome and introduction by Chair
Item 2 Approval of the second Advisory Group meeting agenda
Item 3 Discussion of regional training needs and priorities of participating organisations
Item 4 Discussion of existing regional training capacity
Item 5 Update on workshops project progress
Item 6 Discussion of workshops project methodology
Item 7 Regional discussion of workshop scope and contents

Session 2 Minutes of the video-conference between Geneva participants and Tom Corsellis in Bangkok.
Time 09h00 CET, 15h00 ICT

nda Item 8 Update on discussions in Bangkok
Item 9 Update on the progress of the workshops project

Session 3 Minutes of the plenary discussion between participants in both Bangkok and Geneva, linked via video-conference.
Time 9h15 CET, 15h15 ICT

da Item 10 Approval of the minutes of the 1st meeting of the Advisory Group, December 3rd 2010
Item 11 Plenary discussion on scope and contents of workshop sessions
Item 12 Any other business

What is CORE?

C O R E

common operational recovery essentials

The CORE pilot project offers, for the first time, an opportunity for all humanitarian stakeholders to agree together and deliver together a **common basic technical training**.

The pilot project is in South East Asia.

DFID Department for International Development

Habitat for Humanity

What is CORE?

C O R E

common operational recovery essentials

CORE training will build regional technical capacity in humanitarian response through:

- certified training workshop courses; and
- accredited training of trainers (ToT) courses.
- providing humanitarian technical training materials online that are:
  - easily accessible; and
  - adaptable to trainers and agencies in the region

DFID Department for International Development

Habitat for Humanity

What is CORE?

CORE ToT

7 days covering:

- Adult learning
- Planning a training event
- Developing a session plan
- Facilitation skills
- Using training aids
- Training evaluation

Participant Led Sessions

Participants and their agencies will receive joint accreditation enabling them to undertake the CORE training workshops course as facilitators.

DFID Department for International Development

Habitat for Humanity

11a Stakeholder engagement

The project proposed to engage a series of partners in advertising and to eliciting feedback from the following stakeholder groups:

1. Government/Civil Defence
2. UN
3. International Organisations and NGOs
4. National NGOs
5. Academia
6. Private Sector

The project partners would engage each stakeholder groups in order to:

A: advertise the trainings and elicit applications for participants

B: elicit from the stakeholders, details of guidelines, policies and standards in use, as well as forthcoming training and events

ToT REGISTRATION FORM

CORE Training of Trainers overview

The CORE TOT is a 6 day course in facilitating basic humanitarian training. Upon completion of the course, trainers will receive accreditation which enables them to faciliate further basic training in DRR, response and recovery. Participation in the ToT is subsidised for certain participants; information on price banding can be found on the ToT flyer and the website listed below; accomodation and food is included; participants must arrange for their own transport and Visa.

Eligability for CORE ToT

ToT participants may include regional technical staff from local and national branches of government, including line ministries, emergency response capacities and task forces; national and international NGOs; international organisations; UN bodies; donors and other humanitarian actors. Where spaces are available, consideration may be given to applications from professional bodies, private sector companies and academic research groups.
