

# GLOBAL CCCM CLUSTER

Shelter Meeting 13b

October 30<sup>th</sup> 2012

International Environment House II

CAMP COORDINATION  
AND CAMP MANAGEMENT

# Global CCCM Cluster Mission

To ensure equitable access to humanitarian services and protection for displaced persons living in communal settings, to improve their quality of life and dignity during displacement, and advocate for solutions while preparing them for life after displacement.

## 3 Year Strategic Vision

Strengthen CCCM coordination at global and national levels to respond effectively to humanitarian needs with predictable leadership, accountability, and collaborative partnership.

### Improved Implementation

Improve field response in camp and camp-like environments

- Surge Mechanisms
- CCCMCap Roster
- New & Updated Tools
- Partner Commitments

### Preparedness

Prepare national authorities and ourselves for improved response

- National Preparedness Planning & Capacity Building
- Refinement of Tools to National Structures

### Awareness

Widen understanding and adoption of CCCM approach, tools, and methodologies

- Strategy Development
- Operational Advocacy
- External Communication Strategy

### Accountability

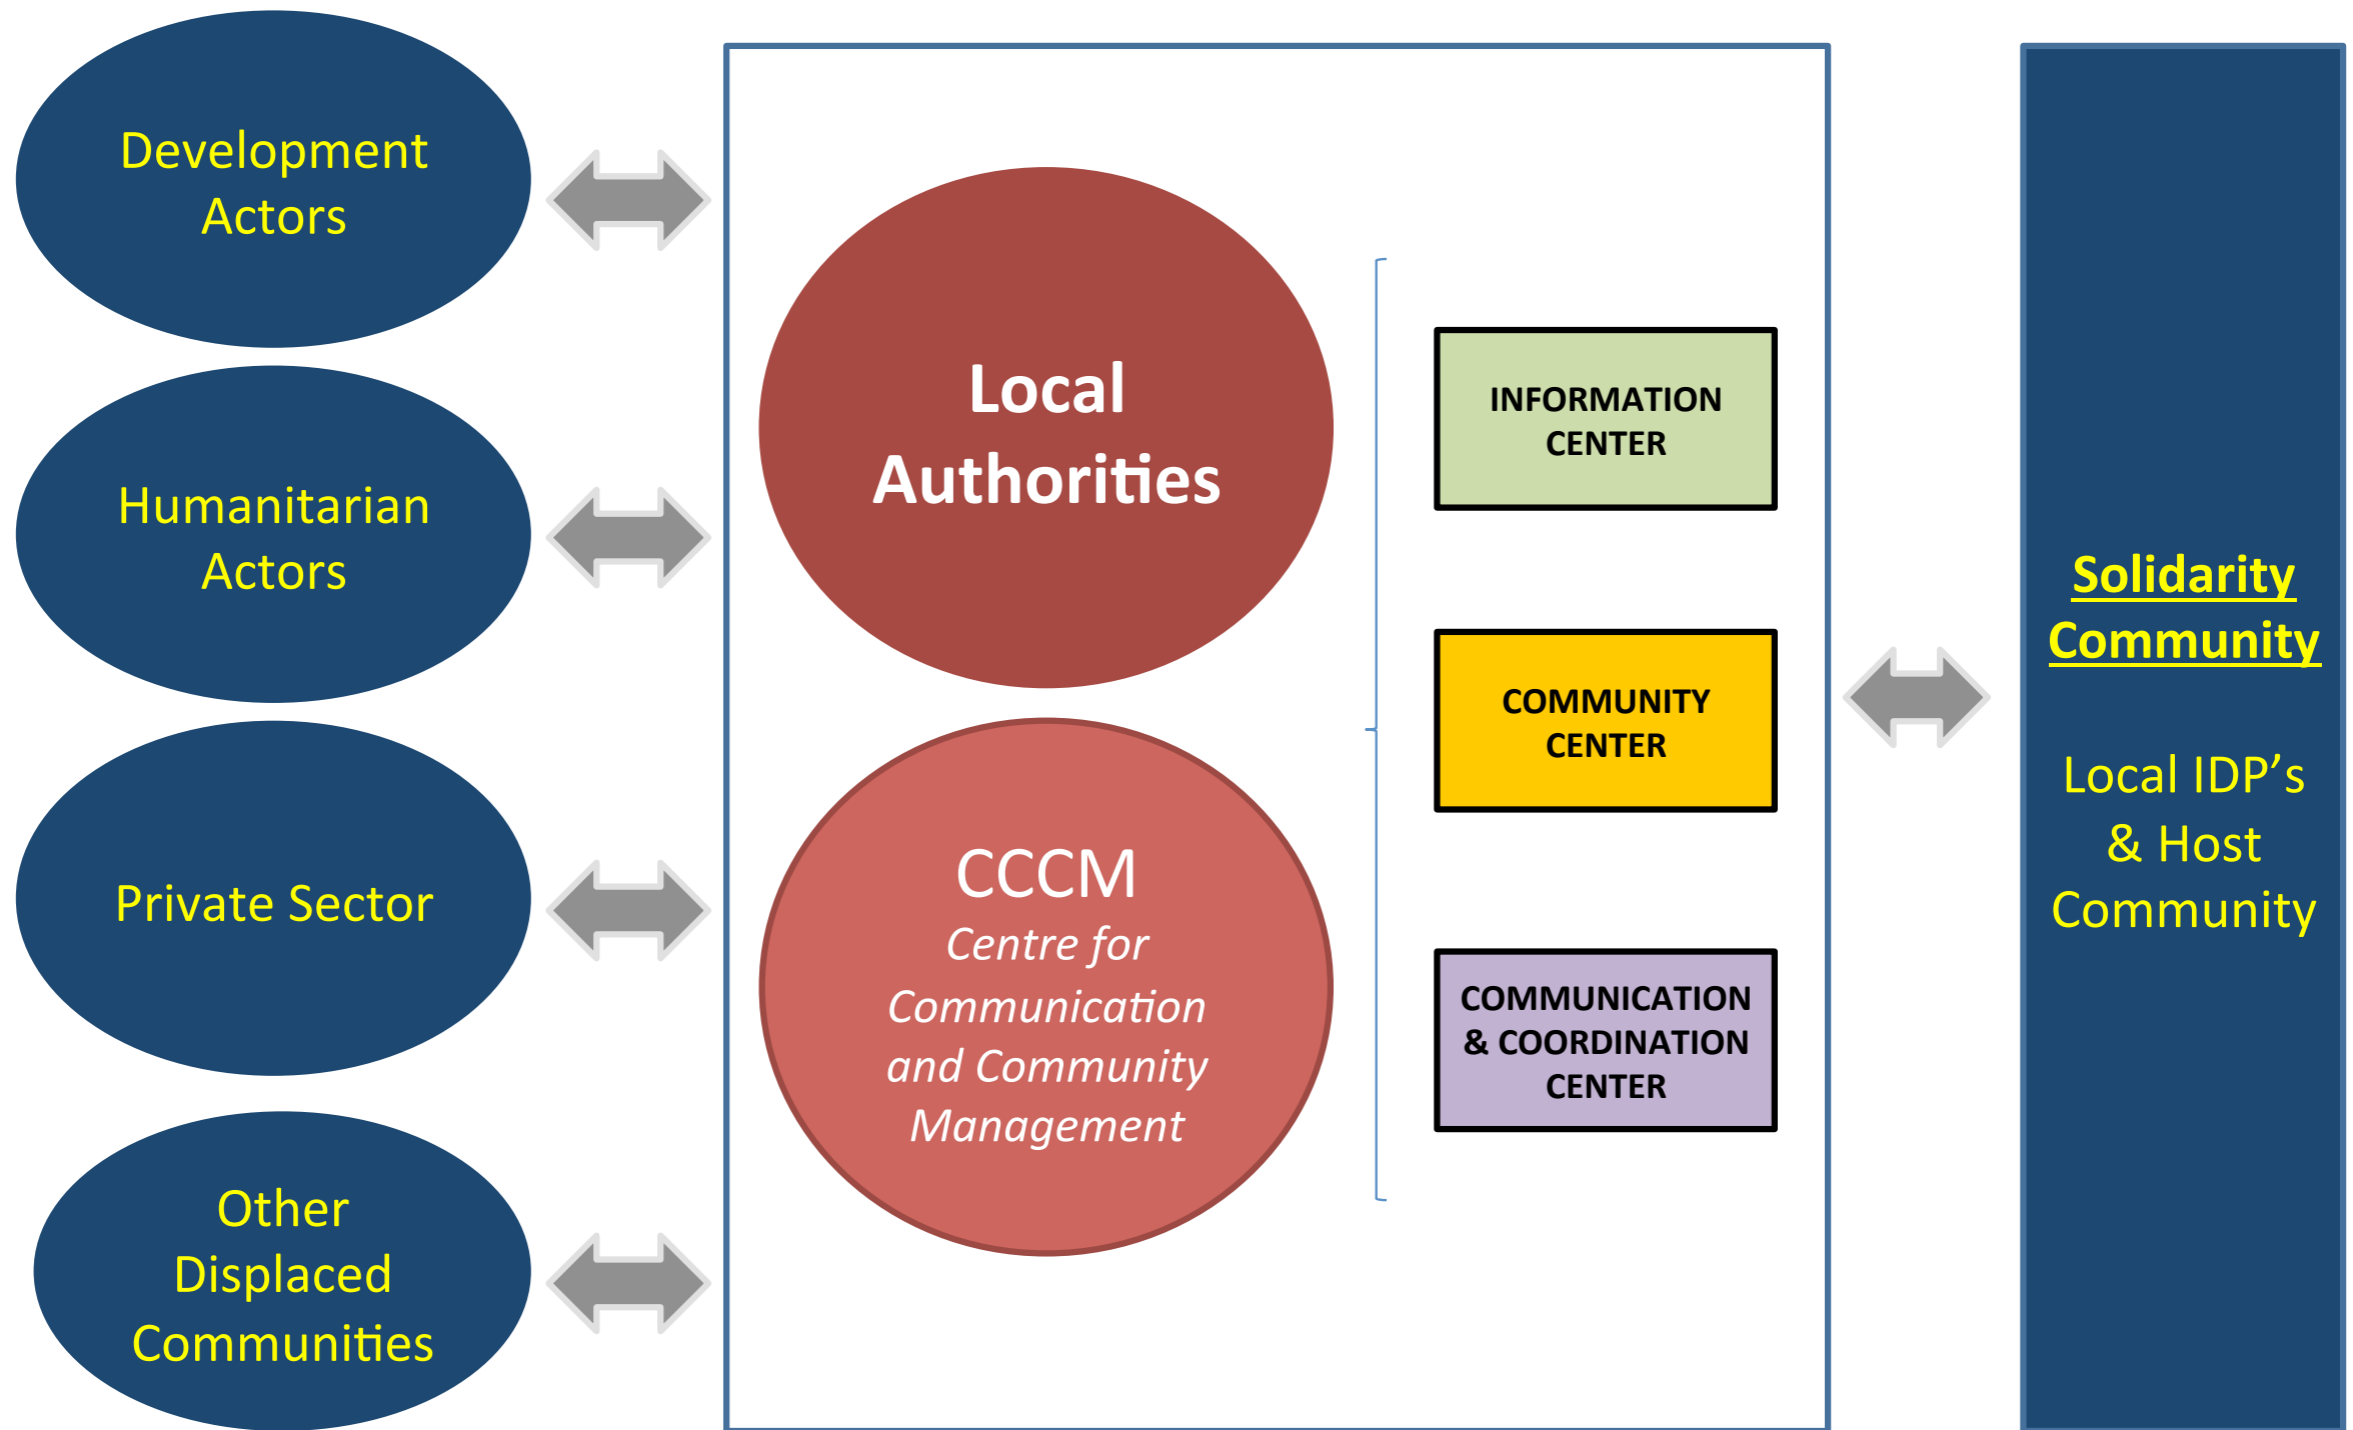

Raise accountability to affected populations

- Knowledge Management
- People-centered Approach & Accountability

### Holistic Community Support

Supporting the needs of displaced communities living outside of camp or camp-like environments

- Out of Camp/Camp-like Setting Policy
- Adapted Tools and Guidance for Displaced Communities Out of Camp/Camp-like Settings

A POSSIBLE CCCM OUTSIDE CAMP APPROACH
